Adjustable light angle
for ergonomic wear

Durable Aluminum Housing

Adjustable spot

Adjust fit from over
and behind the head
for comfort and no-
slip wear

All headband surfaces
treated with Aegis®

THE MOST VERSATILE LED HEADLIGHT

The illumination spot of the **Quasar Cool LED Headlight** features clear, cool white light that is uniform and consistent. This headlight offers the adjustability that makes it our most versatile and popular surgical headlight.

150,000 - 300,000 LUX

Lux* ranging from 150,000 - 300,000 — depending on desired working distance — of pure white homogenous light for extreme surgical field illumination.

COMFORTABLE AND ERGONOMIC

Lightweight construction, ergonomic and tangle-free battery connectivity, and fit-adjust features make this headlight comfortable for long-term wear.

INFECTION PREVENTION

Enova headlights do not require fans, all headbands are treated with antimicrobial coating, and easy-to-clean light housings simplify infection prevention and control.

*Lux is variable based on preferred working distance.

TECHNICAL DATA
