

QUBIT COOL LED HEADLIGHT

Adjustable light angle
for ergonomic wear

Adjust fit from over
and behind the
head for comfort
and no-slip wear

Durable Aluminum Housing

Fixed Spot

**NEW! Optional attachable Beam Adjustment Filter
doubles the otherwise fixed spotlight size**

All Enova LED headlights are
manufactured in the USA

THE MOST ECONOMICAL LED HEADLIGHT

The illumination spot of the **Qubit Cool LED Headlight** features clear, cool, white light that is uniform and consistent. This headlight offers a lightweight and economical way to bring LED light into any practice. Attach the the Beam Adjustment Filter to make the headlight semi-adjustable.

105,000 - 210,000 LUX

Lux ranging from 105,000 - 210,000 — depending on desired working distance — of pure white homogenous light for extreme surgical field illumination while feather light.

COMFORTABLE AND ERGONOMIC

Lightweight construction, ergonomic and tangle-free battery connectivity, and fit-adjust features make this headlight comfortable for long-term wear.

BEAM ADJUSTMENT

The simple flip filter allows the Qubit to have a semi-adjustable light that doubles the spot size. For smaller, more focused light, simply adjust the filter off the lens.
